Margin of Error ±3.6%

List of Tables

1. What are the ages of the children in your household? (Select all that apply)	2
2. Do you consider yourself the child's primary caregiver?	2
3. Do you share caregiving responsibilities with another parent or family member?	2
4. In the last 3 months, did your total household income vary a lot from month to month?	2
5. In the last 3 months, what was the largest drop in monthly household income compared with the previous month?	2
6. In the last 3 months, did anyone in your household lose a job, get laid off, or have hours reduced unexpectedly?	3
7. How many different employers (including self-employment/platform work) did you personally receive pay from in the last month?	3
8. In the last 12 months, was there any time when you wanted to work more hours but couldn't get them?	3
9. In the last 12 months, did you feel forced to take on additional hours either by financial necessity or through work pressure?	3
10. How far in advance do you usually know your work schedule?	4
11. In the last 4 weeks, how often was your shift canceled, shortened, or extended with less than 24 hours' notice?	4
12. In the last 4 weeks, how often were you required to be "on call" (available without guaranteed hours)?	4
13. In the last 4 weeks, did your work schedule make it hard to keep consistent routines for your child (sleep, meals, childcare pickup)?	4
14. In the last 12 months, did you miss work or lose pay because of childcare problems?	5
15. How long have you lived at your current address?	5
16. In the last 12 months, how many times has your household moved?	5
17. In the last 12 months, were you ever behind on rent or mortgage?	5
18. In the last 12 months, did you receive an eviction notice or have to leave housing because you couldn't pay?	5
19. In the last 12 months, did you have to "double up" (move in with others) because of housing costs?	6
20. In the last 12 months, was your home ever without heat, water, or electricity for 24 hours or more due to nonpayment?	6
21. In the last 12 months, how often were you worried food would run out before you had money to buy more?	6
22. In the last 12 months, how often did the food you bought not last, and you didn't have money to get more?	6
23. In the last 12 months, did you skip or reduce meals because there wasn't enough money for food?	7
24. In the last 12 months, was there any time you needed medical care but did not get it because of cost?	7
25. In the last 12 months, was there any time you could not fill a prescription because of cost?	7
26. In the last 12 months, did you borrow money, take on debt, or use payday/advance products to cover basic needs?	7
27. In the last 12 months, did your household lose or have a gap in any government benefits you rely on (e.g., health coverage, food assistance, childcare subsidy) even though you still needed them?	7
28. Which government benefits did your household lose or had a gap in? (Select all that apply)	8
29. In the last 12 months, how often did you have to reapply or recertify for government benefits?	8
30. How difficult was it to complete applications/recertifications (time, paperwork, documentation)?	8
31. In the last 12 months, did your household lose or have a gap in any employer benefits you rely on (e.g., health coverage, childcare subsidy, wellness benefits) even though you still needed them?	8
32. Which employer benefits did your household lose or had a gap in? (Select all that apply)	9

CPTA0003 US Parents of Children Under 18 (February 2026) Toplines

33. In general, how satisfied are you with the amount of quality time you have with your immediate family?	9
34. Over the last 2 weeks, how often have you been bothered by little interest or pleasure in doing things?	9
35. Over the last 2 weeks, how often have you been bothered by feeling down, depressed, or hopeless?	9
36. In the last 4 weeks, how often did you feel you could not handle all the things you needed to do for your family?	10
37. In the last 4 weeks, how often did stress make it hard to be as patient with your child as you wanted to be?	10
38. In the last 4 weeks, how often did stress make it hard to be as patient with your partner/spouse (if any) as you wanted to be?	10
39. How satisfied are you with your current child care situation for any children below school age (not yet enrolled in school)?	10
40. How satisfied are you with your current child care situation (such as after-school or summer care) for any children in school?	11
41. On most weekdays, does your child have a regular bedtime?	11
42. In the last 4 weeks, how many nights per week did your child get enough sleep for their age (in your opinion)?	11
43. In the last 4 weeks, how often did your child miss childcare/preschool/school because of transportation, cost, or family disruptions (not including illness)?	11
44. Do you care for an elderly person?	12
45. Does this person need assistance with activities of daily living (walking, toileting, eating, etc.)?	12
46. Does this person live in your home?	12
47. How many hours a week do you devote to their care?	12
48. Does the cost of their care or the time needed to care for them impact your family budget?	12
49. Does caring for an elderly person make it difficult to do any of the following? (Select all that apply)	13
50. Which of the following best describes your primary work arrangement?	13
51. When do you typically work?	13
52. While you are working, do you also regularly supervise one or more of your children?	13
53. How often are you responsible for supervising your child(ren) while working?	13
54. How old are the children you supervise while working?	14
55. How welcoming is your community to families with minor children?	14
56. How would you rate the attention your local elected leaders currently give to making your community family-friendly?	14
57. Rate your support for the following policy ideas:	14
58. Rank the top three policy ideas you believe should be the highest priority for policymakers:	15
59. For each of the following ideas, would you be willing to support raising taxes in order to fund them?	16
60. Please rate each of the following airlines that you have flown in the past 12 months based on their family-friendliness, discounting other factors such as on-time performance.	17
61. Do you have outdoor play spaces in your community, such as parks or playgrounds?	17
62. How would you describe the number of outdoor play spaces in your community?	17
63. Do these outdoor play spaces feel welcoming and accessible to your family?	18
64. How safe do you feel using these outdoor play spaces?	18
65. Can you typically reach these outdoor play spaces without using a car or public transportation?	18
66. How long does it typically take you to reach the nearest outdoor play space?	18
67. Now we want to switch gears and hear about how family-friendly your job is. Would you describe your job as:	18
68. Please tell us what the company that you work for does.	19
69. Which statement best reflects your views:	19

List of Tables

What are the ages of the children in your household? (Select all that apply)	2
Do you consider yourself the child's primary caregiver?	7
Do you share caregiving responsibilities with another parent or family member?	10
In the last 3 months, did your total household income vary a lot from month to month?	13
In the last 3 months, what was the largest drop in monthly household income compared with the previous month?	16
In the last 3 months, did anyone in your household lose a job, get laid off, or have hours reduced unexpectedly?	20
How many different employers (including self-employment/platform work) did you personally receive pay from in the last month?	23
In the last 12 months, was there any time when you wanted to work more hours but couldn't get them?	26
In the last 12 months, did you feel forced to take on additional hours either by financial necessity or through work pressure?	29
How far in advance do you usually know your work schedule?	32
In the last 4 weeks, how often was your shift canceled, shortened, or extended with less than 24 hours' notice?	36
In the last 4 weeks, how often were you required to be "on call" (available without guaranteed hours)?	39
In the last 4 weeks, did your work schedule make it hard to keep consistent routines for your child (sleep, meals, childcare pickup)?	42
In the last 12 months, did you miss work or lose pay because of childcare problems?	45
How long have you lived at your current address?	48
In the last 12 months, how many times has your household moved?	51
In the last 12 months, were you ever behind on rent or mortgage?	54
In the last 12 months, did you receive an eviction notice or have to leave housing because you couldn't pay?	57
In the last 12 months, did you have to "double up" (move in with others) because of housing costs?	60
In the last 12 months, was your home ever without heat, water, or electricity for 24 hours or more due to nonpayment?	63
In the last 12 months, how often were you worried food would run out before you had money to buy more?	66
In the last 12 months, how often did the food you bought not last, and you didn't have money to get more?	69
In the last 12 months, did you skip or reduce meals because there wasn't enough money for food?	72
In the last 12 months, was there any time you needed medical care but did not get it because of cost?	75
In the last 12 months, was there any time you could not fill a prescription because of cost?	78
In the last 12 months, did you borrow money, take on debt, or use payday/advance products to cover basic needs?	81
In the last 12 months, did your household lose or have a gap in any government benefits you rely on (e.g., health coverage, food assistance, childcare subsidy) even though you still needed them?	84
Which government benefits did your household lose or had a gap in? (Select all that apply)	87
In the last 12 months, how often did you have to reapply or recertify for government benefits?	93
How difficult was it to complete applications/recertifications (time, paperwork, documentation)?	96

In the last 12 months, did your household lose or have a gap in any employer benefits you rely on (e.g., health coverage, childcare subsidy, wellness benefits) even though you still needed them?	99
Which employer benefits did your household lose or had a gap in? (Select all that apply)	102
In general, how satisfied are you with the amount of quality time you have with your immediate family?	108
Over the last 2 weeks, how often have you been bothered by little interest or pleasure in doing things?	112
Over the last 2 weeks, how often have you been bothered by feeling down, depressed, or hopeless?	115
In the last 4 weeks, how often did you feel you could not handle all the things you needed to do for your family?	118
In the last 4 weeks, how often did stress make it hard to be as patient with your child as you wanted to be?	121
In the last 4 weeks, how often did stress make it hard to be as patient with your partner/spouse (if any) as you wanted to be?	124
How satisfied are you with your current child care situation for any children below school age (not yet enrolled in school)?	128
How satisfied are you with your current child care situation (such as after-school or summer care) for any children in school?	132
On most weekdays, does your child have a regular bedtime?	136
In the last 4 weeks, how many nights per week did your child get enough sleep for their age (in your opinion)?	139
In the last 4 weeks, how often did your child miss childcare/preschool/school because of transportation, cost, or family disruptions (not including illness)?	142
Do you care for an elderly person?	145
Does this person need assistance with activities of daily living (walking, toileting, eating, etc.)?	148
Does this person live in your home?	151
How many hours a week do you devote to their care?	154
Does the cost of their care or the time needed to care for them impact your family budget?	157
Does caring for an elderly person make it difficult to do any of the following? (Select all that apply)	160
Which of the following best describes your primary work arrangement?	163
When do you typically work?	166
While you are working, do you also regularly supervise one or more of your children?	169
How often are you responsible for supervising your child(ren) while working?	172
How old are the children you supervise while working?	175
How welcoming is your community to families with minor children?	179
How would you rate the attention your local elected leaders currently give to making your community family-friendly?	183
Rate your support for the following policy ideas: — Support for policy ideas – Increasing the number of / operating hours of public pools and splash pads	186
Rate your support for the following policy ideas: — Support for policy ideas – Increasing the number of / operating hours of public libraries	190
Rate your support for the following policy ideas: — Support for policy ideas – Increasing the number of playgrounds at highway rest stops	194
Rate your support for the following policy ideas: — Support for policy ideas – Creating express "family lanes" in airports for families with young children	198
Rate your support for the following policy ideas: — Support for policy ideas – Creating express "family lanes" at government offices for families with young children	202
Rate your support for the following policy ideas: — Support for policy ideas – Creating preferential parking areas for families with young children at shopping centers and government buildings	206
Rate your support for the following policy ideas: — Support for policy ideas – Creating flat "family pricing" at museums and theaters instead of paying per-person for children	210
Rate your support for the following policy ideas: — Support for policy ideas – Offering reductions in property taxes specifically for families with minor children	214
Rate your support for the following policy ideas: — Support for policy ideas – Offering reductions in utility bills specifically for families with minor children	218

Rate your support for the following policy ideas: — Support for policy ideas – Offering rent / mortgage subsidies specifically for families with minor children 222

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Increasing the number of / operating hours of public pools and splash pads 226

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Increasing the number of / operating hours of public libraries 229

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Increasing the number of playgrounds at highway rest stops 232

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Creating express "family lanes" in airports for families with young children 235

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Creating express "family lanes" at government offices for families with young children 238

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Creating preferential parking areas for families with young children at shopping centers and government buildings 241

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Creating flat "family pricing" at museums and theaters instead of paying per-person for children 244

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Offering reductions in property taxes specifically for families with minor children 247

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Offering reductions in utility bills specifically for families with minor children 250

Rank the top three policy ideas you believe should be the highest priority for policymakers: — Offering rent / mortgage subsidies specifically for families with minor children 253

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Increasing the number of / operating hours of public pools and splash pads 256

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Increasing the number of / operating hours of public libraries 259

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Increasing the number of playgrounds at highway rest stops 262

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Creating express "family lanes" in airports for families with young children 265

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Creating express "family lanes" at government offices for families with young children 268

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Creating preferential parking areas for families with young children at shopping centers and government buildings 271

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Creating flat "family pricing" at museums and theaters instead of paying per-person for children 274

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Offering reductions in property taxes specifically for families with minor children 277

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Offering reductions in utility bills specifically for families with minor children 280

For each of the following ideas, would you be willing to support raising taxes in order to fund them? — Support tax raise for policy ideas – Offering rent/ mortgage subsidies specifically for families with minor children 283
